

Version A

Version B

Base/plinth trim

with brush strip for base/plinth TS

The supplement to the modular base/plinth concept (see page 892). May also be exchanged retrospectively for the front or rear trim panel of the base/plinth components 100 or 200 mm high.

Material:
Sheet steel, spray-finished

Version A:
By rotating the trim panel, the hammer-head strip for cable attachment may optionally be positioned at the top or bottom, sealed all-round for a high level of stability.

Version B:
Open on one side for retrospective mounting if cables have already been inserted.
